I have practiced law for 42 years and am admitted to practice in the Supreme Court of the United States, the Ninth Circuit Court of Appeals, United States District Court for the District of Oregon, United States Tax Court, Court of Appeals for the Armed Forces, Oregon Supreme Court and all inferior Oregon courts. My practice areas have included state and federal criminal defense, civil and general business litigation, and estate planning. My practice has an emphasis in litigation in which I have substantial expertise. A copy of my complete *curriculum vitae* is attached hereto as Exhibit "1".

2. I have reviewed the rates set forth in the Oregon State Economic Survey dated 2012.
3. I am familiar with the billing rates in my firm as well as other law firms in this legal market. In my opinion, lawyers with similar experience and qualifications to that of Kevin W. Bons and Jeffrey Trautman in the Eugene/Salem, Oregon area charge rates between \$275.00 and \$325.00 per hour.
4. I have reviewed the pleadings and other pertinent documents in this matter and am familiar with the reputation and experience of Mr. Kevin Bons.

5. In my opinion, the rates proposed by Mr. Kevin Bons and Mr. Trautman are reasonable and consistent with those prevailing in the Eugene/Salem, Oregon area. Given the circumstances of this case, a reasonable award of attorney fees and expenses in this matter would be in the range of \$76,202.50 to \$90,155.00.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge.

DATED this 27th day of December, 2016.
